Frühlingslied

Contributed by Fred Gauss

Die Luft ist blau, das Tal ist grün
die kleinen Maienglocken blühen
und Schlüsselblumen drunter;
der Wiesengrund ist schon so bunt
und malt sich täglich bunter.

Drum komme, wem der Mai gefällt,
und freue sich der schönen Welt
und Gottes Vatergüte,
die diese Pracht hervorgebracht,
den Baum und seine Blüte.

From the Editor's Desk

Please enjoy this latest issue of our quarterly newsletter! There are some great stories and highlights from events in the first few months of the year. There are also details on our upcoming events such as our annual Pilgrimage Mass, Summer Concert Series, Tag der Donauschwaben festival, and much more. Please remember to check the club's web site often at www.danubeswabian.com for the latest details on all of our events.

In this month of May, I would like to especially wish all of our mothers a very happy Mother's Day!

As a reminder, if you would like to contribute to any of our future newsletter issues, please send an e-mail to newsletter@danubeswabian.com or talk with a club representative.

Kinder Gedicht zum Muttertag

Kein Vogel sitzt in Flaum und Moos
in seinem Nest so warm
Wie ich auf meiner Mutter Schoß,
auf meiner Mutter Arm.

Und tut mir weh mein Kopf und Fuß,
vergeht mir aller Schmerz,
gibt mir die Mutter einen Kuß
und drückt mich an ihr Herz.

President's Message

Another two-year term begins. I was again elected president at the last annual membership meeting, and I am wondering "Bin ich verrückt?" (am I crazy). I sometimes wonder what Marianne (meine liebe Frau) thinks. Even after all the maintenance and administrative issues that arise, it is still fun being around members and being at the events we hold. The idea of losing our cultural heritage is unacceptable to me and that is the thing that drives me. I actually think we now have to work harder than ever to ensure the continuation of the traditions our mothers and fathers (Omas and Opas) brought to America.

With this thought in mind, we will again be holding our annual Commemorative Mass at the Sisters of the Redeemer on Sunday June 2 at 11:00 a.m. It will mark the 75th anniversary of our parents' and grandparents' expulsion from their homeland and the beginning of their long and treacherous journey to America.

On August 25 we will also be celebrating our annual Danube Swabian Festival. This year's event will be special because we will again, with the help of the Trenton Donauschwaben and the United German Hungarians, be creating a cultural exhibit highlighting Donauschwaben artifacts, pictures and memorabilia. It will be held in the upstairs hall. We last did this in 2014, to fabulous reviews. I hope that all members will attend these two events.

Please enjoy the rest of the newsletter. There are plenty of things to do at the club; please come out and enjoy.

Sincerely,

Fred Gauss

General Membership Meeting

Contributed by Rob Hessler

The turnout for the General Membership Meeting on Sunday, February 24 was good, with one of the larger crowds that we've seen for a few years, and at least one new member joining the club on the spot. The meeting reviewed and summarized all aspects of the club's activities for the preceding year. Pilgrimage Mass

Contributed by Fred Gauss

We will be celebrating the 41st Wallfahrt this year on Sunday, June 2. It will be the second year at the Sisters of the Redeemer Chapel. Many people who live in the Philly suburbs know Holy Redeemer Hospital. The chapel where we will hold the Wallfahrt is located in the former Motherhouse on a side street just east of the hospital. The address is 521 Moredon Road, Huntingdon Valley, PA 19006.

As for some background, the Redeemer Sisters were founded in 1849 and are currently headquartered in Wurzburg, Germany. Their Founder, Sister Alponse Maria Eppinger, was beatified in September 2018 in Strasbourg, France. The Sisters came to America in 1924 and Holy Redeemer Hospital was dedicated in 1958.

Please see the flyer on the next page for additional details about our Wallfahrt.

The pilgrimage is sponsored by the Danube Swabian Association of Philadelphia, Trenton, and New York: a group of Germans who were forced to leave their homeland when the communist tide swept through Europe in 1944-1948.

This memorial Mass is in honor of our people who died in the camps of Yugoslavia, Russia and for those who were forced out of their homes in East Prussia, Silesia, Sudetenland, Bohemia, Gotschee, Baragan, Hungary, and Romania. We remember those who died in our old and new homelands.

Please visit <http://redeemersisters.org/contact> for detailed directions.

Recipe Corner

Spaetzle

Ingredients:

- 2 eggs
- 1/2 c. milk
- 1 1/2 c. flour
- 1/2 tsp. salt
- 2 to 3 T. butter

Directions:

Fill large pot 2/3 full of water and add 1 teaspoon salt per quart of water. Bring to boil. Reduce heat to low or medium so you have a gentle boil. Beat eggs and milk with fork. Combine flour and salt; add to egg mixture, stirring with wooden spoon until smooth. Place mixture in Spaetzle machine and cook in boiling water or spoon dumplings and drop into boiling water. Remove from water when they rise to top. Rinse and mix with melted butter before serving.

This recipe was contributed by newsletter editor Michael Rakszawski and is taken from a family cookbook.

We always enjoy contributions from our members! If you would like to submit a recipe to be included in the Recipe Corner in our next newsletter, or if you would like to submit a personal story about your Donauschwaben family, a poem, a memory, or some other item of interest for our newsletter, please contact Michael Rakszawski or send an e-mail to newsletter@danubeswabian.com.

Donauschwaben Cookbooks

The National Donauschwaben Landesverband Frauen have recently put out an over 300-page cookbook with authentic Donauschwaben recipes. Individuals contributed their favorite recipes from the Donauschwaben clubs in Akron, Chicago, Cincinnati, Cleveland, Detroit, Mansfield, Milwaukee, Philadelphia, Los Angeles, St. Louis, Trenton, and Kitchener. It is an impressive collection of ethnic recipes.

As you know, the Donauschwaben Ladies take their baking seriously so the following corrections need to be made to the identified pages of the National Danube Swabian Cookbook.

Remembering Maria

As many of you may already know, we had to say goodbye to Maria M. Czirjak.

Sadly, on the morning of January 15, 2019, Maria was in a fatal car accident. Our most sincere sympathies to the family and friends of Maria M. Czirjak.

Maria was like a box of chocolates -- you never really knew what you were going to get ...but what I do know for sure is that she was here to get things done - her contributions to our club for the past 10 years will never be forgotten!

Maria, thank you for being a part of our association and for being such a passionate and dedicated member.

I raise a BECKS glass and say PROST to Maria; thank you and I love you!

Lisa Kloehn

Memories of Maria

I came to know Maria when she served at every Friday night dinner at the club. She was always friendly and I enjoyed talking to her about my Hungarian stepfather and family. I always wanted to learn some Hungarian words from her and she in turn would want to know German words. She became such a big part of our Donauschwaben family. She was always there at every event and always on the go. I think she could outrun everyone even in her high heeled shoes. She was also a hair stylist and I went to her for my haircuts. There too I got to know her better and we had many good talks. I will miss her vibrant personality. There will never be another "Maria". May she rest in peace.

Penny Party

Contributed by Roswitha Hoenisch

The Penny Party was amazing again this year. We had a full house with many beautiful prizes. As in previous years, we had our “man cave” section of tools and garden supplies. We had a few more men in attendance this year too. They really enjoyed themselves.

Most of our guests are experts in going to penny parties and we welcome them all along with newcomers who once they get the idea of how a penny party works come back again the next year. It is an enjoyable evening for all.

Our Ladies Auxiliary president Gerlinde and her team of volunteer workers are to be commended for their hard work. Everyone’s contribution is appreciated. Another great Penny Party!

Danubia was 5th in the medal count for EPYSA indoor state cup medals in 2019. A few years ago, we didn't have five youth teams at the club. To build a program this fast at that level is an accomplishment for everyone involved! We're by far the smallest club out of the group and the only club without any paid coaches!

Boys U-11 Gunners won the Bob Urban Memorial Tournament hosted by Nether Providence on Saturday, April 20th. The Gunners did not let up any goals throughout the tournament going 3-0 defeating Lower Merion, PA Classics and FC USA in the final. Currently, the Gunners are undefeated in EDP Spring League with a record of 3-0-1.

Boys U-13 Hotspurs hosted a sweet 16 state cup game on Sunday at the club with a 5 p.m. kick off start time. The Hotspurs went 3-0 winning their group and did not let up a goal in round robin play.

The Griffin's 10' won the Bethesda Premier Cup beating Bethesda Pre-Academy 3-2 in OT, and we also won the Indoor State Cups beating FC Europa 3-1. We played in the semis for outdoor state cups on May 4, where we were matched up against FC Europa again.

Winter Schlachtfest

Contributed by Rob Hessler

The club's upstairs ballroom saw a sizable crowd for the Schlachtfest on Sunday, February 17. As usual, a good group gathered twice in advance to do the time-consuming work of preparing the vast assortment of pork-based specialties. Fred Gauss, Paul Hoenisch, Walter Schuetz, Hans Brucker, Adam Dickmann, and Karl Leisch were joined by new 'apprentices' Rich Wilson and Lou Sannutti. Adam Herbert stopped in to ensure everything was being done according to tradition. Diners arrived to find a plate of delectable pork-based hors d'oeuvres, followed by a helping of hot and tasty Leberknödelsuppe (liver dumpling soup). Belts were already being loosened as the main course became available...a buffet including hot Leberwurst (liverwurst), bratwurst, pork loin, sauerkraut, and vegetables. While settling in after dinner, a surprise appearance from "MC Schwein" (Fred Gauss) had everyone doubling over in laughter as he provided entertainment and presented a few lighthearted awards. Finally, everyone had dessert before waddling home full and happy, ensuring yet another year of employment for cardiologists in the Philadelphia region. Thanks to all who helped, including the chefs Hans Kloehn and Maria Mattes, as well as the board members and family and friends who helped with setting up, serving, and cleaning up. Mark your calendar so you can join us next time on November 24.

Club Dinners

Contributed by George Brenner

The start of 2019 has been a very busy time for the Donauschwaben kitchen. Between the Friday night dinners and two Sunday dinners, Hans and all the volunteers continue to keep us well fed.

2019 kicked off with a Sunday dinner of Suppe und Palatschinken. This meal continues to be a club favorite. The downstairs hall was packed with members enjoying the traditional cheese and jelly filled Palatschinken. Making Palatschinken is a labor-intensive process, and once again, the club benefitted from the help of our younger members. William Taubenberger volunteered to spend his last day home before returning to school after the winter break to make the hundreds of Palatschinken needed to feed the members. The highlight of the meal is always the potato soup that was once again expertly prepared by Matt Gauss. Thank you to William and Matt! I am certain that your Oma's are very proud.

As mentioned already in Rob's article, the Donauschwaben Schlachtfest took place on Sunday, February 27. The Schlachtfest is one of the more popular dinners at the club with the upstairs hall quite full of big appetites. The meal was outstanding and as usual too much food to eat at one time. There were plenty of "doggie bags" distributed for us to enjoy the food again the next day. We believe that the popularity of the Schlachtfest is the food; however, there is also the entertainment value that comes with this dinner. Fred Gauss enjoys the pork-themed dinner and decorated the club with every pork-themed item imaginable. Fred also entertains the members with pork-related trivia questions and jokes. This year was no different except the questions and the jokes were delivered by Fred dressed in a pork-themed costume.

A special guest at the Schlachtfest this year

We need to thank all the schlachters who volunteered their time earlier in the week to prepare all the homemade sausages, speck, and krameln. We also need to thank all the club members who helped in the kitchen, doing the serving, and the cleanup. Thanks to everyone who helped make this Schlachtfest a big success and making sure that once again, "no one goes home hungry"!

The last Friday night dinner before the meat-free Lenten dinners started was the Kassler Ripchen dinner on March 1. Hans prepared a delicious smoked pork chop dinner along with sides that pleased everyone. This dinner was also held in the upstairs hall to accommodate all the attendees.

A delicious Kassler Ripchen dinner!

With the start of Lent, the Friday night dinners included a several fish dinners and another Suppe und Palatschinken dinner.

Here is a fun fact. On March 22, parts of Germany celebrate the Bavarian Crepe Day. Bavarian Crepes are a close relative of our beloved Palatschinken. Who knew that the Bavarians actually celebrate one of the Donauschwaben’s most loved and popular foods!

Travels

This past Christmas, the Brenner family spent Christmas visiting Christina and her then fiancé Fred in Munich. It was a wonderful time to have the entire family together and experience a true German Christmas celebration. We visited numerous Christmas Villages in Munich, attended Christmas Eve Mass in a beautiful Church, and heard the Christmas hymns sung in the original language. The highlight was hearing Stille Nacht (Silent Night) sung in German in a church only illuminated by candlelight. Christmas dinner was stuffed goose and Semmelknodel (bread dumplings). Christina and Fred also introduced us to a new sport, Eisstockschiessen. Thank you, Christina and Fred, for being such great hosts!
