Winter 2025

Thank you for your continued support of the Donauschwaben Club in Philadelphia.

In the Fall of 2024, we conducted three major events at the Club and one off-site event. Tag der Donauschwaben took place at the Club with over 350 people in attendance. The day started with a Catholic Mass celebrated in German in the upstairs hall. The rest of the day was filled with great food and drinks as well as entertainment by dance groups and music by Don Bitterlich. Soccer fans were treated to multiple games by the men and women's major teams.

At the end of September, we celebrated the 10th anniversary of the very popular Wine Tasting. Attendees were treated to five different wines, which were paired with five different food selections.

In November, we went off-site to the Sisters of the Holy Redeemer Chapel in Meadowbrook to commemorate the 80th anniversary of the Vertreibung. The event was commemorated by celebrating a Catholic Mass in German. Each of the survivors at the Mass received a rose to recognize the hardships that they endured 80 years ago and to thank them for founding the Club that we have today.

The last major event in 2024 was the Children's Christmas Show. The Christmas Show was a great success and reflected the hard work and the many practices that the 17 children did to make the show a success. It truly put everyone in attendance into the Christmas spirit.

Thank you again for your support, and we are looking forward to another great year in 2025!
