## Event Summary

**Christmas Show** - The children did a marvelous job. The girls did a wonderful Disney princess tribute and the boys wowed the audience with their 'Blue Christmas –Elvis' rendition. The nativity scene with shepherds, kings and angels as always closed the show. The tradition continues.

**Palatschinken** - The traditional meal always brings back many memories of family gatherings and overeating. Many thanks to Elsie Hoffmann and Anna Gauss who made the homemade soups and the kitchen staff who made over 200 palatschinken.

**Venison Dinner** - Forget about chicken, beef and pork. Venison was the entrée of the day and it was served in a variety of ways to satisfy any discriminating palate. The food was excellent and everyone left with a full belly.

**Club Elections** - All reports were presented and club members were satisfied with the annual review. The election showed no change at the helm with Rose Matico remaining as President. However, the following six new Trustees were added: Doris Leisch, George Brenner, Robert Hessler, Mike Rakszawski, Heinz Lehmann and Adam Dickmann. The club thanks them for their willingness to make a difference.

## Other News

**Spring Flowers** - As the weather starts to turn, thoughts begin to turn to flowers. Over the last few years the club had a large variety flowers in pots and the flowerbeds in the front. If you are interested in helping make the club green again with donations or plantings, please contact Fred Gauss.

**Clothes Donations** - The kinder and youth group are collecting usable clothing, linens, shoes, etc., which will be forwarded to a service who will reimburse the club for the donation. Go through your closets and help the group. You can contact any group member for donation requirements and collection dates.

**Video Documentary** - The sales have been going well and we have received a lot of positive feedback. The video is available at the club and is titled "**Millions Cried...No one Listened**" It is a 6 CD Film series. The cost for the full set is \$55. The producer used many interviews to explain the tragedy of what happened to the Donauschwaben. Every Donauschwaben family should have a copy. For information please contact Rose Matico or Fred Gauss.

**Visiting Dance group from Germany** - The National Donauschwaben Committee has just told us that the Banater Schwaben Tanz Gruppe and Musikanten from Germany will be visiting and performing at various Donauschwaben clubs throughout the states. They will be in Philadelphia, August 16-17. The Philadelphia and Trenton Donauschwaben along with the United German Hungarians will be developing a schedule for their stay in Phila.
